DETAILED ACTION

1. Acknowledgement is made in the receipt of the amendment filed March 2, 20067.
2. The drawings were received on March 2, 2007. These drawings are accepted.

Allowable Subject Matter

3. Claims 7-12 are allowed.
4. The following is an examiner's statement of reasons for allowance: the prior art of record fails to anticipate or render obvious an electromechanically operable disc brake comprising a plurality of first spacers extending from the control and regulation unit, and a plurality of second spacers extending from the actuator, the plurality of first spacers coupling with the plurality of second spacers to interconnect the control and regulation unit with the actuator, the first and second spacers forming a gap between the control and regulation unit and the actuator.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
